A BENEFIT FOR  **ST. JAMES SCHOOL**

The Society of the Sons of St. George, the English-Speaking Union (ESU) and St. James School have been partnering to support education for 5 years through this memorable Christmas fundraiser. Both The ESU and St. George have been historically focused on education, especially for those most in need.

THE ENGLISH-SPEAKING UNION (ESU)

is an international educational charity founded by Sir Evelyn Wrench in 1918. In the United States, it is a network of 70 branches whose members celebrate English as a shared language to foster global understanding and good will by providing educational and cultural opportunities for students, educators and members. The ESU seeks to nurture and enhance our linguistics heritage through nationally administered programs and outreach. www.esuus.org

THE SOCIETY OF THE SONS OF ST. GEORGE

was founded in order to give advice and assistance to Englishmen in distress; over the years this objective has been expanded to provide assistance to students wishing to pursue studies in England. These activities are now carried about through the Society's Foundation. The Society is one of the oldest societies in the United States having been formed in Philadelphia on St. George's Day, April 23, 1772. www.stgeorgephiladelphia.org

ST. JAMES SCHOOL

is a faith-based Philadelphia middle school in the Episcopal tradition, committed to educating traditionally underresourced students in a nurturing environment. The school is a community that provides a challenging academic program and encourages the development of the moral, spiritual, intellectual, physical and creative gifts in its students. www.StJamesPhila.org
