(No handwritten applications will be accepted)

Please attach the following materials to your application:

- 1) Official college transcripts for all academic credits completed or attempted beyond secondary level. Campus representatives should forward copies of the final fall grade reports for their nominated candidates to the ESU state scholarship coordinator as soon as the grades are in.
- 2) Letters of recommendation from two members of the faculty at your home institution.
- 3) A two to three-page (double-spaced) personal statement indicating your intellectual goals in applying for the ESU TLab-UK Scholarship with a description of the specific course of study you would like to pursue through the programs offered as a part of ESU TLab-UK (consult www.esu-tlab.org for more information) and your area-specific qualifications to undertake the program of study you select. Your statement should give evidence of your writing abilities, maturity, motivation, and your adaptability to new circumstances. How do your objectives for studying abroad compare to the ESU's mission and objectives? How will you apply the personal experience of British culture when you return home? You will be required to write papers which will be graded by the institution you select. Your statement should reflect your ability and willingness to write such papers.

Campus Representatives: Please include 6 copies plus the original of the each student's application, Personal Essay, Letters of Recommendation and Official College Transcript. Therefore, a total of 7 sets of applications (1 original and 6 copies) should be included in a complete application.

Please note that universities in the United Kingdom do not always have access for students with physical disabilities.

All essays and letter of recommendation must be printed on single sided paper. No double sided personal documents will be accepted in the application process
