# KOMOS

which means “*to revel*” in Greek, and  
From which we get our word?

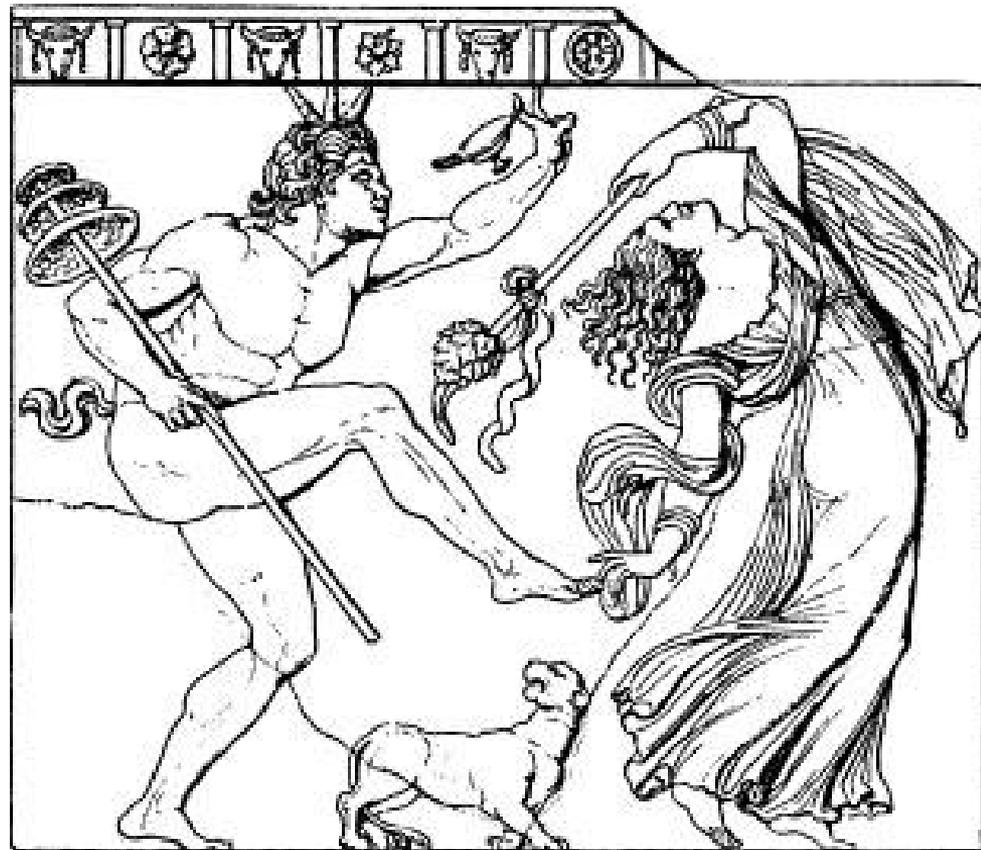

SATYR (SAY /dur)

**Liturgical Dance  
of the Satyrs**

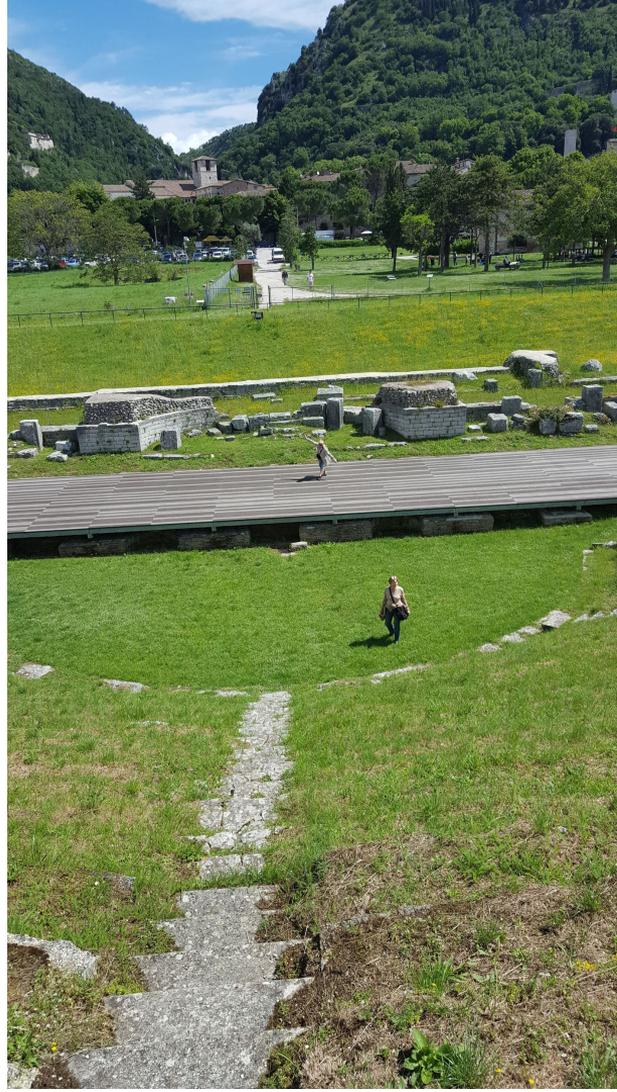

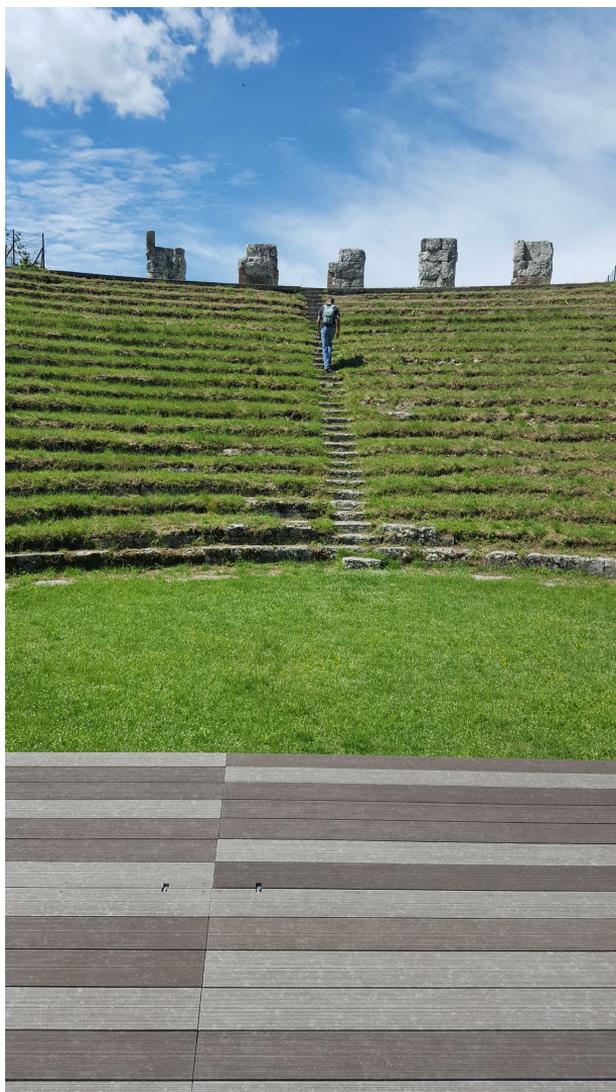

Thanks to his love of drinking, dancing, music, and *uninhibited merry-making with free-spirited friends*, Dionysus offered an evocative reflection on the human condition. The Greeks understood the human need to let go as opposed to the Apollonian council of restraint and control as well as facing the human reality of death.
